Steve and Jean from Christ Church WGC  
in Wewak, PNG

## We were blessed recently...

...we were blessed recently with a visit from Steve and Jean Hughes from Christ Church WGC, in the UK. We were in much need of rest, not having a break for the last year. Besides spending time with us, Steve and Jean were able to fly out into the bush into the villages of Nuku, Kwiftim and Sibilanga. We thank them lots for taking the time to visit us, we were very blessed.

## Family Prayer Requests. Please pray for...

- Tristan as he commences his first year at Swinburne University studying a Computer Degree
- Aaron who is starting his third year at University of Queensland studying Science
- Imogen as she continues with her nursing career and continues to prepare for her Wedding next year
- Kiri who is studying her Master's course in Nutrition at Monash University.

## Clare's Life...

... Clare has been busy with many projects here in Wewak. She is MAF's Wewak compound co-ordinator, dealing with visitor comings and goings, feeding missionaries who come in by aircraft from the bush, and keeping the compound houses in good order.

**Billum from Coffee Bags...** Clare passionately makes billums (bags) from coffee sacks for funding her baby pack project. She also teaches two haus meris, Ruby and Naomi, to sew and make them. Clare plans for this to give them a skill to make money for their family.

**Clare's Play School...** for two to four national children on Thursdays

**Haus Meri Ruby...** her first bag using the sewing machine we gave her for Christmas

**Home School...** Clare also teaches home school to two missionary boys on Monday and Wednesday mornings

## Guriaso Outreach... photos from Guriaso outreach in January.

We walked all day though the jungle with a 38kg generator, 18kg speaker system, and more with the Jesus Film. We made 3 river crossings, and walked in 40 degC temperatures to find the small village where 220 people were able to see the film that night, sing the name of Jesus, and get to know Him all the more.

# the picture

This picture Paul took in Sibilanga, in the Sepik Coastal Highlands, with a storm approaching in the late afternoon. The village is at 2,300ft and the strip is just 433 metres long and was formally a MAF base.

Praise the Lord

- for safe flying this year

- for all the people we helped here in PNG

- for our MAF staff and families in Wewak

- for Tristan getting into Swinburne University

Please Pray for Complete Healing of those we Medevac'ed out of the bush

A special prayer for an outreach to the Samban village on March 17th.
